

Booya News

I have been blown away by the generosity of our membership!

Day after day opening the responses to our plea for donations and dues has been heart warming. The generous donations will more than cover the funds we lost from canceling the Booya due to the Corona Virus. To give you an idea of just how generous your donations were, here is a recap of our Booya income and expenses for the last 5 years:

	Income	Expenses
2016	\$3,548	\$,1820
2017	\$4,852	\$1,253
2018	\$4,249	\$1,432
2019	\$4,234	\$1,379
2020	\$4,891 (donations)	\$274

Of course there was a big loss!

We didn't get to share a wonderful day catching up with friends, enjoying all the activities and eating the famous Booya. And that is what it's all about!

So as we look forward to 2021, we will be putting committees together to help make our 30th Booya the best ever!!!

Thank You,

Booya
