

First-Time MLA-Branded Artisan Booya Mugs!

Order soon. Limited Quantities.

It's an idea that emerged prior to last year's Booya: Create a beautiful, functional MLA-branded soup mug hand-crafted by a local artisan and offer it to MLA members.

Now they are here. Each designed and hand-made by our local expert potter and MLA member, Kim Yolitz, the Booya mugs are perfect for year-round use for soups, stews, chili and more.

- Attractive, two-tone glaze, with MLA Booya imprinted on one side and MLA logo on the other side
- Environmentally friendly and reusable
- Reduce Styrofoam going into landfills
- Keeps your Booya at a more predictable temperature – not scalding hot due to Styrofoam holding the heat
- Holds two cups (16 oz.) of delicious Booya
- Limited edition! Once sold out, no more until next year

MLA mugs are offered at a reasonable price of \$30 each (tax and shipping* extra.) We have 25 mugs on hand for sale now. When these sell out we will have the funds to order 25 more, to be ready by Booya, but that will be the extent of the order for 2022. Mugs may be available for sale at the next two MLA meetings if they are not sold out.

Click [here](#) to order today. ***First-come-first-served.***

****To save shipping costs*** you can choose the option on the order form to pick up your mug at an MLA meeting: **May 28; June 25; July 30; or pick up at Booya August 6; last meeting September 4.** All meetings are 9:00 a.m. at McKenzie Landing, 1350 Cty. Hwy. E.

Don't miss out on this beautiful MLA-branded Booya mug.
