AQUATIC PLANT MANAGEMENT PLAN 2022-2027

Several MLA members and the general public attended the APM open comment hour on May 28. Emily Moore, Burnett County AIS Coordinator and facilitator, presented historical lake data and introduced the updated goals and objectives from the APM committee; go to our web site home page www.mckenzielakes.com to view. You may review prior McKenzie Lakes' plans at www.burnettcounty.com/1120/Past-Projects. Field work on all three lakes will be conducted by Emily Moore and her team in coordination with Burnett/Washburn DNR personnel beginning this June and continuing into the fall.

ADDITIONAL RESOURCES FOR LAND OWNERS

At the APM Plan open comment hour, several questions were asked concerning erosion, shoreline preservation, run-off, wildlife habitat, and native plantings. Here are some links to explore for information for both Burnett and Washburn Counties.
